

List of necessary Hardware and Software for the Magdala Apostolate

Hardware:

- Computer with an operating system of Windows 7 or higher **—or—** a Mac with with 10.8 or higher*
- A webcam (either built in, as with a laptop, or separate)
- A headset, with a microphone **—or—** a Jabra Speaker (which the Magdala Apostolate can provide to you)
- An Ethernet cord connection to your internet router

**If you have any questions about these hardware requirements, please email coordinator@magdalaapostolate.org or call (540) 365-7155

Software:

- Download Zoom from www.zoom.us. Click Join a meeting and enter the meeting number given in the initial log in email from the Magdala Coordinator.

**If you have any questions about these software requirements, please email coordinator@magdalaapostolate.org or call (540) 365-7155

Internet speed:

- Requirements
 - A minimum of 4 mb per second download speed
 - A minimum of 1 mb per second upload speed

Please perform an internet speed test to verify that the above requirements are met.

Speed test note: Be sure that you are connected to the internet via an Ethernet cord, and not using wifi.

To test your Internet speed, go visit <http://www.speedtest.net/>. Click on the green "**Begin Test**" button in the middle of your screen. Once the test is complete, it will display Download and Upload speeds in mbps. Please email those to coordinator@magdalaapostolate.org.

*If you do not know how to be connected to the internet via an Ethernet cord, please email coordinator@magdalaapostolate.org or call (540) 365-7155

**If your computer does not meet the minimum download and upload speeds, please email coordinator@magdalaapostolate.org or call (540) 365-7155
